Adarsh Nagar Colony, Bandlaguda Jagir, Hyderabad

Summary

Detail-oriented Computer Science graduate with strong organizational and administrative skills. Proficient in Microsoft Excel, Word, Outlook, data management, documentation, and customer support. Experienced in handling records, maintaining accuracy, working with databases, and collaborating within teams. Quick learner with excellent written communication, email etiquette, and problem-solving abilities seeking an opportunity in Learning Administration and Talent Support.

Academics

Qualification	Institution	Year	Score
B.Tech – CSE (AIML)	KG Reddy College of Engineering & Technology, Hyderabad	2022–2026	CGPA: 7.88
Intermediate (MPC)	Sri Chaitanya Junior College, Hyderabad	2020–2022	GPA: 7.9
Matriculation	Sri Triveni Techno Girls High School	2017–2020	GPA: 10.0

Technical Skills

- **Programming Languages:** Python, Core Java, SQL.
- **Web Technologies** HTML5, CSS3.
- **Tools:** Eclipse IDE, GitHub, SQL*Plus, VS Code, Microsoft Excel, Microsoft Word, Microsoft Outlook, PowerPoint.
- **Soft Skills:** Professional Communication, Written Communication, Email Etiquette, Customer Support, Critical Thinking, Detail-Oriented, Adaptability, Teamwork, Initiative, Organizational Skills, Analytical Thinking, Time Management.

Academic Projects

Smart Traffic Light System 2024–2025
Technologies: Python, Reinforcement Learning, NumPy, Matplotlib, Pygame

- Developed a web application that simulates a real-time traffic intersection using Reinforcement Learning (RL) for dynamic signal control.
- Integrated live visualization using Pygame to display real-time vehicle movement and traffic signal states at the intersection.

Rice Leaf Disease Detection and Severity Prediction 2025–2026
Technologies: Python, Deep Learning, EfficientNet-B0, CBAM, TensorFlow/Keras

- Developed a deep learning-based web application to detect rice leaf diseases from images and predict their severity level (high/low), achieving 90% disease classification accuracy.
- Collected and organized datasets. Maintained project documentation. Performed testing and validation. Generated reports and results. Collaborated effectively during development.

Internship / Experience

Java Full Stack Intern – Qspiders and Jspiders, Punjagutta, Hyderabad Jan 2026 – Present

- Undergoing hands-on training in Java Full Stack development covering Python, Core Java, SQL, HTML, CSS, JavaScript, and Advanced Java.
- Maintained technical documentation and project records. Coordinated with trainers and peers during project activities. Managed assignments while meeting strict deadlines. Used SQL for accurate data retrieval and database management. Collaborated in team-based development activities. Maintained accuracy while handling technical tasks.

Achievements & Certifications

- Microsoft Office Essential Skills – Udemy *2023*
- Certification on Python Data Structures - Coursera *2024*
- AI HACKDAYS 2025 – VISWAM.AI (Certified Participant) *2025*
